

Regional Ministry Conversation Forums

Forums are a new addition to the Regional Summit programme after feedback from previous attendees. Choose a forum to be part of and take part in a conversation about a specific topic relevant to ministry. Join others who are serving in similar ways in their churches and go deeper on a current issue. Forums are designed to have even more conversation than a workshop—we invite you to come prepared to contribute to the discussion.

Take a look at the conversation topics and let us know which one you're keen to join when you register for Summit.

GRACE AND GUIDANCE: NAVIGATING BEHAVIOUR DIFFERENCES

How can we respond with love, wisdom, and consistency to the wide range of behaviours and backgrounds present in our churches?

Facilitated by Julie McKinnon, CCCNZ Children & Family Ministries

ENGAGING THE CHURCH IN PRAYER

The forum will be a facilitated discussion and Q&A session. Mark and Marius will share briefly about their church context in terms of engaging the church in prayer, then facilitate a Q&A session to help think through practical next steps to build strong and flourishing prayer cultures.

Co-facilitated by Mark Broadbent (Leadership Team, Porirua Gospel Chapel) and Marius Dryfhout (Prayer Champion at Feilding Bible Chapel)

STRENGTHENING OUR GOSPEL THEOLOGY

What collaborative steps could we take as CCCNZ churches in order to both increase our understanding of the gospel, and grow our ability to communicate it well?

Facilitated by Nick Goodwin, CCCNZ Pastoral Theologians Fellowship

REACHING YOUTH & YOUNG ADULTS

How do we deal with habitual sin in our youth and young adults in light of salvation and the cross? What are you doing (or can you do) to make youth and young adults feel equally part of the church as older members?

Facilitated by Craig Barrow, CCCNZ Youth and Young Adults

CROSS-INSPIRED LEADERSHIP

What does it look like when cross-inspired shepherds and servant leaders apply the principles of cross-inspired leadership to real-life policies, procedures and documents in church settings?

Facilitated by Jan De Lange (CCCNZ National Advisor)

EQUIPPING NEW ELDERS

A conversation focusing on real-life, workable approaches to training and equipping future elders for our churches.
